

DESPERATE HOUSECATS

Maricopa County Animal Care and Control

This summer, more than 6,000 cats will be in need of homes in our community.

Give these Desperate Housecats a home. This summer, the cat you take home can be free. The adoption fee for cats over 1 year is being waived. Kittens are \$80. All cats are spayed/neutered and given both a rabies and a 3-in-1 vaccination at no charge, if they are old enough. A free wellness exam is also included.

**Microchipping and FeLV testing
available: ask for details!**
